[PATCHED Easy Recovery Essentials \(EasyRE\) Pro - Windows XP Vista 7 8 10](#)

Easy Recovery Essentials

Welcome to Easy Recovery Essentials for Windows. This recovery and repair CD will attempt to automatically find, diagnose, and fix problems with your PC. In addition to the automated repair tools, you may also perform advanced repairs from the command line, edit partitions, copy important files to an external drive, and access the web.

Select a recovery option:

A screenshot of the Easy Recovery Essentials menu. It features a list of five options: 'Automated Repair', 'Virus Scanner', 'Browse/Backup Files', 'Partition Editor', and 'Internet Browser'. The 'Automated Repair' option is highlighted with a blue background. To the right of the list is a vertical scrollbar. At the bottom of the window are two buttons: 'Exit' on the left and 'Continue' on the right.

- Automated Repair
- Virus Scanner
- Browse/Backup Files
- Partition Editor
- Internet Browser

Exit
