

---

Forza Horizon Savegame Editor (FHSE) This website might be called the "Forza Horizon Savegame Editor" but it really takes a serious player to get the most out of this site. So start with a Forza Horizon 2 save game of your choice, and then use this tool to create a new save file. After all, you have more than just one chance to win! This site can also be used for editing any other types of games including Driver: San Francisco and Sonic Riders. Just play through the game until you get locked out, or else your progress won't carry over. Once you've created a new save file, go to the Save File path and look for a folder with the name of your game. If it is not there, go to this website and follow that link. On this site look for a save-game folder titled "Savegame". Once you find that, locate a folder labeled "Save". Now those are both folders with the same name ("Save"). So now make sure to put those two folders together in the same location as FHSE. In this way your Forza Horizon 2 save files can be imported into an FHSE project. When you go to this site, enter any data such as spin for Forza Horizon 2 so you can easily identify which save file is yours. Once your final save is imported, you can edit it and export it to a new file. Edit whatever aspects of the game that you want to change and then go back to FHSE and find the Save File path in order to import your changed save. After you've imported it, your old save will be overwritten with the one currently installed in your hard drive. Another great tool that can be used in conjunction with FHSE is Forza Horizon 2 Explorer by GamerZoner. This allows you to quickly look through all of your car data as well as to edit the car characteristics. The following video demonstrates the use of this tool: <https://www.youtube.com/watch?v=MqCPCx3jkwQ&feature=youtu.be> Forza Horizon 2 Savegame Editor (FHSE): <http://ffreaks.co.uk/ffhse/index-en.htm> <https://www.forzamotorsportblog.com/search-forza-horizon-savegame-editor/> [http://www.playgroundwiki.com/Forza\\_Horizon\\_2\\_Savegame\\_Editor](http://www.playgroundwiki.com/Forza_Horizon_2_Savegame_Editor) <http://gamerzoner.com/2014/10/17/forza-horizon-2-savegame-editor/>
